in association with

Good afternoon and wel-
come to our opponents
today Scunthorpe United
F.C. their players support-
ers and directors.

Today's fixture will be a
true test of our character
and resolve. The disap-
pointment of last week is
obviously still lying there at
the back of everybody's
mind we must roll up our
sleeves and be positive and
treat today as a Cup Final
we can not allow these bad
results to continue. We must
not feel sorry for ourselves
and feel down on our lick,
we must make our own luck.

Everybody today must get
behind the lads and encour-
age them in their fight for
this great club's future. I
believe every club goes
through indifferent spells
and the people who battle
through this with profes-
sionalism and determination
are the ones who hold the
key to our future.

"Every dog has his day and
a dog with a broken tail has
a week end."

I would like to welcome on
board subject to medical
our £80,000 signing from
Dunfermline, Raymond
Sharp and I hope he will be
lucky and successful with us
in our hunt for success.

We have a very important
game today but I would like
to remind everybody of our
reserve team fixture this
Monday against Leicester.

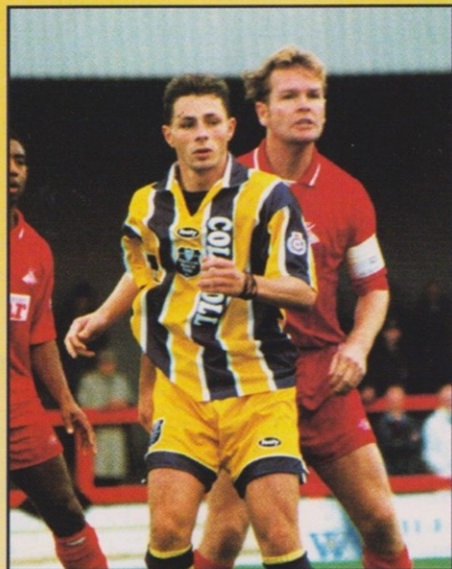

Thank you for your support
Drive home carefully

YOUNG NORTH ENDERS CLUB

I would like this opportunity of welcoming all our members to today's game, I hope you all have an enjoyable day.

Last week at the Community Offices 'Saturday Club' our members played Walsall Juniors in a series of 5-A-Side matches. The results went our way again with us winning all our matches, well done to you all.

Don't forget to read Ian Johnstone's Community Notes, The Community Office are running their excellent soccer schools this coming 1/2 term. The soccer schools are a great way for children to learn the skills and techniques of football by qualified F.A. coaches in a supervised environment.

It was great to see so many girls turn up for the Girls Only Day last Saturday it was just a shame about the weather, it poured down. In the end we had to cut short the day as we were like drowned rats, so the other half of the day will be held on October 23rd at 10am.

This Monday 10th October in conjunction with the Community Office we will be holding another L.E.P. Tea-Time Club. We all had a good time at the last one specially as Gareth Ainsworth joined in

the activities. This week another first team player will be here to join in the fun. The club starts at 4.30 and the children receive coaching, 5-A-Side football, their tea is

provided and also tickets for the Pavillion Stand. The cost is only £3.00 for members and £3.50 for non-members. Please enrol by lunch-time on the day so meals can be ordered.

THE YOUNG NORTH ENDERS CLUB FOOTBALL-FIVES

The Young North Enders Football-Fives is two days of small sided matches for the children to enjoy the game of football in a safe, supervised environment. The Football-Fives games are modified to fit in with the development of the child's skills and understanding of the game. There will be qualified F.A. coaches and first aid staff on hand at these sessions. The cost of the two days will be £6.00 for

Young North Enders Club members and £10 for non-members.

The sessions will be held on Sundays 9th and 16th October starting at 10.00am and finishing at 2.30pm. Each child will receive a Certificate of Attendance and prizes can be won. Book early as we expect a tremendous response. The sessions are open to both boys and girls aged 8-14 years. Please provide a packed lunch.

TINY SOCCER SESSIONS

The Young North Enders Club will be holding introductory soccer sessions for boys and girls aged 5-7 years. The sessions will take place on Sundays 9th and 16th October at 3.00pm for two hours. The children will be introduced to the basic skills of football in an enjoyable environment. Each child will receive a Certificate of Attendance and a Merit Award will be awarded. The cost of these sessions will be £2.00 for members and £3.00 for non-members.

PROGRAMME NOTES

by Audrey Shaw

Last Saturday's attendance of 7,852 was once again the highest in the third division and only Huddersfield in the second division could better it. It shows what tremendous support there is for the club with attendances so far being Lincoln City 8,837, Darlington 8,434, and Chester City 3,328.

Even with all the away games this season we have still had a good following Barnet 533, Bury 1,595, Fulham 685, Gillingham 175 and Doncaster 968.

The attendances at the reserve fixtures have also increased considerably since the introduction of the Family Fun Night. Our first home fixture of this season against Mansfield attracted a crowd of 608 compared to the opening fixture last season against Rotherham when the attendance was 221. On Monday evening next when we entertain Leicester City in our second Family Fun Night. Leicester are the club from which the idea of the Family Fun Night originated with the introduction of Filbert Fox who we hope will be visiting us on Monday. By the way at one of Leicester's Pontins fixtures last season they attracted a crowd of 12,000 (mind you they were playing Manchester United). We are hoping to introduce more attrac-

tions to our Monday night fun nights to add to the entertainment for the youngsters. The players are going out and about round the schools and if anyone knows of a school who would be interested in 'Adopting a Player' then please contact us and we will try and arrange it.

The players are actively involved in attending events in the community and I am enclosing an extract I received recently thanking us for our help in arranging for Gavin Nebbeling to present prizes at a charity football match. "I would like you to give all our thanks and best wishes to Mr Gavin Nebbeling who came along to present the cup, man of the match and draw raffle. He stayed for almost two hours chatting, signing autographs and everybody agreed what a smashing bloke he is. It was great to meet him and he seemed to enjoy himself. A superb day made just that bit special by Gavin's appearance."

Well done Gav.

EDITORIAL

On Monday, 26th September, whilst all attention centred on the Baxi Partnership entrance to Deepdale, our programme printers Colourplan, informed the club that they were unable to continue our working relationship. I must stress that the reason for this was through no fault of PNE but, due to the fact Colourplan could not meet their obligations.

Mercer Print of Accrington have offered their specialised experience and knowledge which I feel will result in a quality programme that we the North End supporters have not seen before at Deepdale. You find this issue is the largest and most colourful programme that has been printed for the club.

I hope you enjoy the hard work that all the contributors have put in to produce a good quality programme.

Best wishes

George Hodkinson.

MEET THE MANAGER

DAVE MOORE...Moore was officially confirmed as Scunthorpe's manager on the final day of last season after stepping up from the role of physio following the departure of Richard Money. A defender in his playing days, he started as an apprentice at Grimsby Town - his hometown club - before moving on to Carlisle, Blackpool, Grimsby for a second spell, then Darlington. He arrived at Scunthorpe in November 1989 to take the job of Youth Development Officer. He later became assistant manager to Bill Green but Money's appointment led to Moore taking up the post of Physio. Just over a year later however, he was handed the caretaker manager's job and, under his leadership, Scunthorpe's form showed an improvement and he was duly awarded with his first managerial position.

BETWEEN THE STICKS

MARK SAMWAYS...Goalkeeper who is in his third full season with Scunthorpe following his £20,000 move in March 1992 from Doncaster. Mark, 26, had joined his hometown club Rovers as an apprentice and soon became a regular in goal, making 138 appearances for the club before his move. He initially joined Scunthorpe on loan and played so well that he was offered a full contract. Samways is described as a sound, consistent keeper and has started the season as first choice between the sticks.

MICHAEL HEATH...Young keeper whose appearance have been limited due to the excellent form of Samways over the past year. Born in Hull, Michael completed a training scheme with Tottenham Hotspur but was later released and after a spell in South Africa, returned to England - and Scunthorpe. The 20-year old has only made one full League appearance to date - a 2-2 draw at Wycombe last April, but is one to watch for the future.

LEADING FROM THE BACK

PAUL MUDD...Left back who has started the season in good form after recovering from a broken leg sustained at the end of last season. Paul started as a trainee with hometown club Hull City but, unable to break into the first team, he was transferred to Scarborough for £5,000 in July 1990 where he gained considerable League experience in 3 seasons with 95 appearances. He joined Scunthorpe at the beginning of last season to replace Paul Longden who was forced to retire with a leg injury and, until his own injury problems prematurely ended his season, he was a virtual ever-present in the starting line-up.

ALAN KNILL...A centre-half of vast experience taking in Southampton, Halifax Town and Swansea before a £95,000 move to Bury in 1989. He was a regular in the Gigg Lane side for 4 years before a brief loan spell at Cardiff City and a permanent move to Scunthorpe in November 1993. Knill has experienced action at the highest level having made an international appearance for Wales whilst with Swansea in 1989 and he soon settled into the side on his arrival at Glanford Park. Born in Slough, he is well known for being naturally dominant in the air but has also proved to be comfortable with the ball at his feet.

RUSSELL BRADLEY...A consistent performer who has not missed any games since signing for the Iron in June 1993. Born in Birmingham, Russell's career started at the City Ground with Nottingham Forest and he made his League debut during a loan spell with Hereford United. Hereford offered him a full contract which he signed and he became a regular member of the

side until a £45,000 move to Halifax Town in the 1991-92 season. Following the Shymen's demotion to the Vauxhall Conference, however, Richard Money offered him a return to League football and Russ became a valued member of the squad. Scored 2 goals so far this season including Scunthorpe's consolation in last week's 1-2 defeat at Hereford.

TONY FORD...Brought into the side as a player-coach during the summer months to bring experience to the side. The former England B international joined Grimsby Town back in the 1975-76 season setting the record of the of being the youngest ever player to play in a League match for the club at 16 years and 143 days coming on as a substitute versus Walsall in October 1975. He followed this match with a further 353 appearances before moving to Stoke City in July 1986 (via a loan spell at Sunderland). Three seasons later he moved to West Brom for £145,000 and then back to Grimsby for £50,000 in November 1991. Manager Dave Moore did not hesitate in bringing his former teammate to Glanford Park - hoping that his experience at higher level will prove invaluable to the team.

MEN IN THE MIDDLE

STEVE THORNER...Known to North End fans as a former Blackpool player, Steve made his name at the Shay with Halifax Town where he made 104 appearances and then at Swansea City (117 appearances). Signed by Richard Money in the summer of 1993 after just one season at Bloomfield Road, Thorner is described as a hard-working left-sided midfielder with no shortage of skill.

WAYNE BULLMORE...Wayne was brought into the side on a week-to-week basis last season from Barnsley and, once given a regular place in the side by David Moore, he has produced some fine displays. The 24 year old started his career with Manchester United but had to wait until a transfer to Barnsley before making his League debut. After making a good impression last term, Wayne was offered a full contract during the close season, which he accepted. A skilful player and a good passer of the ball.

MARK SMITH...Widely travelled midfielder who signed from Grimsby Town in July 1993. Mark was born in Sheffield and joined his hometown club the Blades as a youngster. Unable to make a name for himself with Sheffield United he moved to Scunthorpe via Gainsborough Trinity and Worksop. He only made one appearance for United, however, before going on to play for Rochdale, Huddersfield and Grimsby. Mark usually occupies the left-flank but can also cover at left-back. Posses good close ball control.

GRAHAM ALEXANDER...A utility player who can play at right-back or right-wing. Graham has firmly established himself in the Scunthorpe team over the past 3 seasons after breaking through from the youth ranks in the 1990-91 season. The Coventry born tough tackling 22 year old was deservedly voted last year Supporters' Player of the Season after playing some of the best football of his career.

DEAN MARTIN...Another utility player who is equally at home along the back-line or in midfield. Dean began his Professional footballing career with Halifax Town where he spent 7 seasons making over 150 League appearances. He joined Scunthorpe in 1991 on a free transfer and is described as a determined and competitive player who gets forward well. Clocks up 100 full appearances for the Iron up to the end of last season.

IN ATTACK

MATT CARMICHAEL...An ever-present last season, Matt ended the campaign as the club's top scorer with 24 goals - quite a remarkable tally as he spent much of the season playing in defence. He was signed at the start of last season from Lincoln City, the club which Matt joined from the army. The Singapore born forward was bought out of the services for £20,000 by the Imps and was converted to a central defender, the position where he began playing for Scunthorpe. He was then switched to attack a couple of months into the season and responded with a club record of scoring in eight consecutive League games between 28th December 1993 and 19th February 1994. An injury to Paul Mudd, however, meant Carmichael deputising as left-back but he is hoping that he can re-claim his place up front this season after sitting out the first few matches on the bench.

SAM GOODACRE...Chesterfield born striker who joined Sheffield Wednesday from school as a trainee. The 23 year old was unable to break into the first team at Hillsborough and joined Scunthorpe in July 1991 on a free transfer. A former England Schoolboy and Under-19 player, Sam has been prone to injuries throughout his playing career but remains a favourite with the fans. Only made 1 full appearance at the time writing.

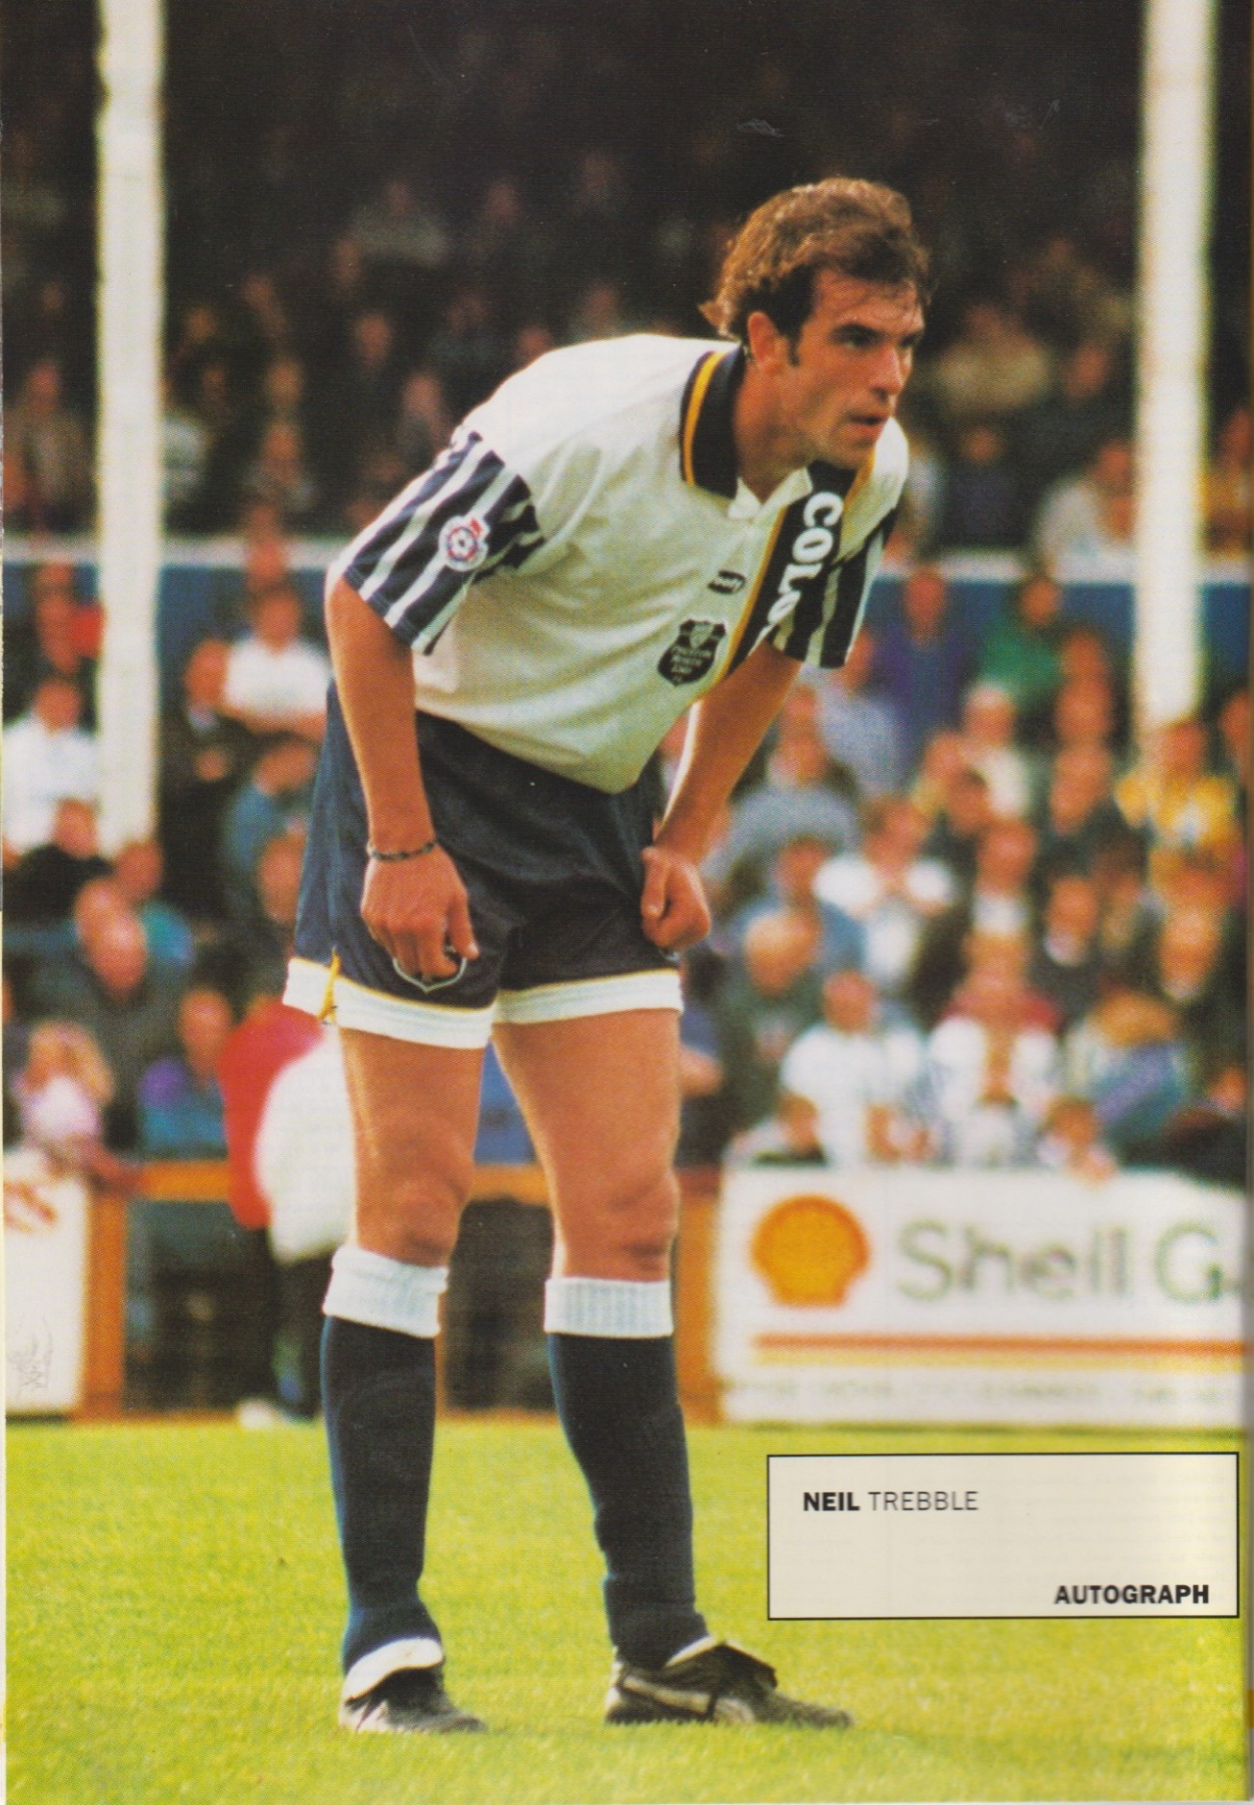

IAN JURYEFF...Gosport born striker who is at his ninth club after spells with Southampton, Mansfield, Reading, Leyton Orient, Ipswich, Halifax, Hereford and Darlington. Ian was signed at the beginning of last season but was never given an extended run in the first team under previous manager Richard Money and, at one point, put himself on the transfer list. When David Moore was appointed as manager, however, he responded well with some fine performances and several goals at the end of last season.

DAMIEN HENDERSON...Signed last Christmas from Scarborough in a deal which took Jason White and Andy Toman to the McCain Stadium. Damien started out with Leeds United but was released a couple of seasons after turning professional. Scarborough offered him League football and he made a good impression with 5 goals in 17 appearances. Richard Money brought him to Glanford Park for his pace when running at defenders. The 21 year old is very skilful on the ball and is good in the air; he scored Scunthorpe's first goal of the season versus Barnet in the 2-1 win on the season's opening day and he has started every game so far.

AUTOGRAPH

Age: 25

Born: Hitchen, 16.2.69

Height: 6ft 3in

Weight: 13st. 10lb

Previous clubs: Stevenage Borough, Scunthorpe United.

Do you have a nickname at the club? No not yet.

Who did you support as a lad? Tottenham Hotspur - I still look for their result.

How were you first spotted? I was playing for Stevenage Borough in the Diadora League while I was in the Army and Scunthorpe United spotted me and offered me a contract.

Which player did you look up to as a youngster and why? I was always impressed by John Barnes. I was at Watford for a while as a youngster and so I saw him quite often. He just had unbelievable skill.

Who's been the biggest influence on your career? Paul Fairclough, the Stevenage Borough manager was a big help to me. Richard Money and David Moore at Scunthorpe introduced me to the professional game and since I came here, I think John Beck has considerably improved my game.

Do you have any match day superstitions? Not many although I never wear my match shirt during the warm up.

What aspects of your game would you most like to improve on? My heading, particularly in front of goal.

What do you consider your own personal strengths in the game? My physical ability, I think I am a good runner. I think the fact that I can shoot quite well with both feet is one of my strengths.

What were your impressions of the North End fans when you came here with Scunthorpe last season? I thought they were brilliant. The noise and atmosphere they created made it quite awe inspiring, playing for the opposition. It was definitely the biggest crowd I'd ever played in front of.

What did you think of the artificial surface when you played here last season? I didn't like it - it was a bit rough on the old joints! Because it was a one-off game it was difficult to adjust. I definitely prefer grass.

You played at number 3 in that game. Did you feel comfortable playing as left winger? I can play on the wing, although I'm not a natural winger and I prefer to play at centre forward. I was put out wide in that

Niel Trebble IN FOCUS

game to try and stop Preston from getting the ball down that side, because I'm so tall.

Who is your regular room mate and what annoying habits does he have? I room with John Vaughan. He does have a tendency to walk in his sleep, but he doesn't have many other habits other than that.

Which league ground you have played at is your favourite and why? Maine Road - that's a lovely stadium. There is always a cracking pitch there, one of the best.

Which player in your position do you admire most and why? I'd have to say Alan Shearer - he is the best all round striker in the country in my opinion.

Who is your worst dressed team mate? I think that's probably Mark Scale, although I'd have to say that I'm not the best dresser at the club.

What attracted you to sign for North End? Mainly the size of the club and the professionalism of the staff. Also, having played here last season for Scunthorpe, the prospect of playing front of so many fans each game was very tempting.

Do you think North End's attacking style of play will suit you more as a striker? Definitely. It's a forward's dream to have so many crosses coming in, especially of the quality that Gareth Ainsworth and Paul Raynor supply. I'm working hard on my heading in front of goal and as I

improve, I think I'll score more goals. You served in the Army for some time. What can you tell us about that? I joined when I was 18 and spent 6 years in the Army. I was in the Grenadier Guards. I spent 4 years serving in Germany and 2 years in London.

What was the standard of football like in the Army? When I was in Germany, it was just a case of having a game when you could, so there was no real standard as such. The standard to which the Army and combined Services teams play is very high though. You only need to look at players like Guy Whittingham to appreciate that.

How did you feel when Scunthorpe approached you? I was delighted to be given the opportunity to play League football. It was a dream come true for me.

How did you enjoy your time at Stevenage Borough? I Played at Stevenage for one season and managed to score 25 goals in 30 games, so it was a tremendous season for me and I really enjoyed it. It was the kick start to my footballing career.

Is your goatee-beard staying or going? I'm confusing people with that. If I have a bad game, I shave it off so that no-one will recognise me!

Who do you consider to have been your most difficult opponent to date? I played against Wimbledon in the cup last season and I thought that John Scales read the game very well.

Finally Neil, is there anything you'd like to say to the fans? Just to keep turning out like you have and never doubt the commitment and desire that the squad have to gain promotion.

KNOW YOUR WAY AROUND THIRD DIVISION

News on Three With Mike Payne

Carlisle's remarkable recovery last weekend against Darlington saw them regain the leadership of the division. A first-half goal by Painter gave the visitors the lead and then Carlisle had Currie sent off. It looked bleak for the Cumbrians but they are a resilient side this season and after Gallimore's penalty had given them an equaliser up popped Dean Walling to hit a 70th minute winner. Colchester are on a run at the moment and their 1-0 win at home to Bury returned the Shakers to second spot again.

Longest trip of the day was Hartlepool's visit to Devon to play Exeter where Cooper hit an 84th minute winner. It must have

been an even longer journey home. For Steve White it was seven out of eight since he joined Hereford as he hit the winner in another best of three goal match. That was a shock for today's opponents here, Scunthorpe, but they can console themselves in the knowledge that Hereford's position in the league belies the form they have shown. Walsall's new manager, Chris Nicholl must have been delighted with his sides win here, and since we returned to grass our record at Deepdale has not been exactly thrilling has it? Bring back the plastic I say! To think that over 35,000 have been to Deepdale this season, many more than at any other ground in the division, that is marvellous, and I think I am right in saying that they deserve better than they are getting. Come on lads, pep it up!

I thought Barnet's home game with fellow Londoners Fulham may have tested the top

of the attendance table that is produced for each of our programmes, but the 0-0 draw was only watched by 3,579. Another match, between two of the leading sides in the chasing pack, Rochdale and Doncaster, ended in a 2-0 win for the home side. Two goals in the last sixteen minutes from Williams and Peake pierced the usually effective Doncaster defence. None of the regular leading scorers in the division, apart from White of Hereford, added to their tally, and I will be glad when Mark Sale scores his sixth goal as most of the nationals still have him on that total!

All records are upto and including 2nd of October:

Top five attendances:

1	8,837	PNE v Lincoln
2	8,484	PNE v Darlington
3	7,852	PNE v Walsall
4	6,321	Carlisle v Wigan
5	6,213	Carlisle v Exeter

Best wins:

Barnet 6 Rochdale 2
Walsall 5 Fulham 1
Exeter 0 Bury 4
PNE 4 Lincoln 0

Worst 1,200 Scarborough v Rochdale

Hat-tricks: Carter (Bury), Hancox (Torquay) CCCup, Freedman (Barnet, who actually hit four goals against Rochdale) and Lightbourne (Walsall).

Leading scorers: 10 - Carter (Bury), Freedman (Barnet) 9 - Reeves (Carlisle) 8 - White (Hereford) 7 - Lightbourne (Walsall), Hancox (Torquay) - Sale (PNE), Marsh (Walsall), Whitton (Colchester), Williams (Rochdale), Cooper (Barnet).

The only thing I can definitely say North End are tops in is attendances. And if it was in any doubt before it was certainly proved when the Auto Windscreens Shield Matches were played. Did you notice some of the crowds? There were only 890 at Hull, 995 at Barnet, 963 at Gillingham and just 452 at Alloa Athletic! Oh sorry that doesn't count! Seriously though North End's crowd of 3,242 was way ahead of anything else in the competition and last Saturday's 7,852 was better than the rest in the third division, bettered by only one game in the second, and beat four in division one.

Tony Ellis scored another for Blackpool last weekend and I thought Mike Flynn had scored for Stockport but I'm not so sure now. Teletext said Flynn but the papers say Slinn, obviously a bad phone line! Well done to Chester for recording their first win of the season, it was obvious that our ex player David Flitcroft played a big part in the success as he came on as substitute in the 90th minute!

NEW CHAIRMAN

Arguably the most significant thing to happen to North Ends for a good long while - perhaps even more so than the arrival of John Beck and Gary Peters - has been the takeover of the club by the Baxi Partnership. While some people may be letting their heads in predicting a speedy return to the glories of yesteryear, the injection of funds on the scale provided by the deal is essential to ensure the club's long-term survival and future development. This is no criticism of the previous chairman and directors; the efforts of everyone associated with the club over the last few years to bring success to Deepdale have been outstanding. However, when Manchester United announce financial results with gate receipts and merchandise sales worth millions of pounds, the rewards of high levels of investment in the club over a number of years, the advantages of having a backer with more financial clout are clear. Here's to a mutually beneficial association, Mr. Gray!

SONGS OF PRAISE FOOTBALL SPECIAL

On Sunday 25th September several Preston North End fans set off towards Old Trafford. No, Manchester United were not playing - we were joining ever group of people gathered together for a unique event, as football fans from clubs near and far recorded a 'Songs of Praise' special which will be broadcast tomorrow evening. Whether or not you were an ardent football fan or had never even been into a football stadium everyone was given the chance to sing and celebrate their faith and football at the same time. There were found to be many Christian footballers, managers and referees, bishops and priests who religiously watch the results each Saturday and of course thousands of fans who cheer their team and sing Christian hymns just as regularly.

The event opened with an RAF Spitfire making the sign of the cross above Old Trafford and closed with The Rev. John Boyers, Honorary Chaplain to Manchester United Football Club leading everyone in prayer - is this the secret of United's success and if so are we trying to emulate it? Several clergy were spotted in an executive box for the match against Walsall - however we did not achieve the right result - perhaps we didn't offer up enough prayers, it seemed to us that it worked in United's favour against Galatasaray.

During the event we managed some traditionally associated football anthems e.g. 'Abide with me', 'When the Whites' - sorry I mean 'Saints' - go Marching In', 'Guide Me O Thou Great Redeemer' and 'Glory Glory Preston North End'. Whoops - got the words wrong again!

The most momentous part of the afternoon had to be the fact that fans from clubs all over the North West joined together in peace and harmony with no fighting - we had to sit with 'Blackpool fans' both at the side of us and behind us. Across the other end of the Stadium a North End flag was in view, but only a small one. There were no disputes regarding Tony Ellis although some of the Blackpool fans seem to think that we have got the best of the deal and they are quite willing to send him back to us. The day ended with some Stoke fans singing 'Ooh Tony Ellis' at both the Preston and Blackpool contingent.

NEW BADGE

Don't forget to drop into the Portakabin and take a look at our new badge, specially designed to celebrate North End's return to grass. This commemorative souvenir is excellent value at £2.00!

THEY PLAYED FOR BOTH CLUBS

Kevin Keegan signs for PNE. A pipe dream back in the 1970's but Keegan recalling his playing days in a recent interview said "I was informed of Preston's interest while playing for Scunthorpe but when I called into the

Managers Office after a training session I expected to see the Preston manager, Alan Ball. Instead there was Bill Shankly. I learnt later that Liverpool had topped Preston's offer by £5,000 and as they say, the rest is history."

Maybe if Tom Finney had still been doing the business for PNE young Kevin might have had a change of heart - this was the deciding factor that persuaded George Thompson, the Scunthorpe goalkeeper to sign for North End back in October 1952. George recalls "I'd only been playing in the Football League one season when I was informed by manager Billy Corkhill that both Manchester clubs and Southampton had shown a keen interest in me, but when I heard that Preston North End had made enquiries there was only one place I wanted to go to.

"There was no difference in the wages of the top clubs in those days, but if there had been I still think I would have signed for Preston. Tom Finney was the best and the chance of playing

in the same team as Tommy was a dream come true."

Georges first two seasons proved dramatic to say the least as PNE chased domestic honours on both fronts. With just one game to go in the 1952/53 season a nailbiting finish was assured. North End & Arsenal were neck and neck at the top of the First Division with Arsenal having a slightly better goal average. PNE, away to Derby County on the Wednesday evening drew first blood, winning 1-0 with a Finney penalty.

Arsenal playing Burnley two days later (giving what many folk thought was as unfair advantage) knew only a win would crown them as Champions. In goal for Burnley was Georges brother Des. Although Burnley opened the scoring Arsenal had gained a 3-1 half time lead. Back in the second half to make it 3-2 no doubt roared on by brother Des. Burnley took the game to Arsenal and with just 5 minutes remaining a Burnley forward was sent sprawling in the penalty area, but no penalty was given.

The referee said after the game "I had to allow for the wet conditions, so I gave the defender the benefit of the doubt." (Somethings never change).

The Preston lads, who were on tour at the time, had just failed to win the championship by 0.001 of a goal - what a nightmare!

Preston North End, with George

Thompson in goals, reached the final of the F.A. Cup the following season going down 3-2 to West Brom at Wembley.

Georges 140th, and final league game for PNE was against Portsmouth in 1956. From Deepdale he joined Manchester City before playing over 200 league games for Carlisle United.

SHOOT

THE VOICE OF THE FANS

Whilst Neil Trebble's injury time winner at Fulham sent the ravelling Northenders into ecstasy (including those of us in the press box), it also sent the ex-army officer into the record books.

The first record to tumble was well publicised - Trebble's goal ensured North End's win in London since a Gary Brazil double saw off Brentford way back in October 1988. There has been a mere fourteen visits to the Big Smoke in between time, but if you thought that was a barren run, it get worse.

Those of you who dismiss as fairweather fans those exiled North Ends fans who only appear at Southern games, you may care to reconsider after this. Since that win at Griffin Park, PNE have played in the South a mammoth 44 times (anywhere below Shrewsbury qualifies apparently). In that time, we've only returned to our cockney corners with a three-point grin on TWO glorious occasions!

Anyone who suffered those annual horror shows at Fulham, Orient, and Northampton were probably till in a state of hock when the boys turned Gillingham over only three days later. A remarkable turnaround - see you all in Northampton!

The next record is open to dispute, but as far as I can recall, the Craven Cottage glory was the first time in living memory that PNE have won a match with ten men.

I've flicked through the history books as far as Mark Jones' dismissal in a 3-3 draw at Crewe in 1985/6. Since the I've unearthed 21 cases of North End players being sent off in all competitions, 12 of which ended in inevitable defeat, with nine draws completing the picture. Can anyone else remember a heroic ten-man victory?
Gavin Willacy, SHOOT magazine.

PAPER TALK

by Brian Ellis

Last week's match against Chester in the Auto-whatsit Shield was a bit special and not just because North End turned in a first class performance for a change.

One look at the fixture list will confirm it that may well end up in our daily midweek game at Deepdale all season!

No more trips to Squires on a Tuesday night unless we can get to the Mickey Mouse knockout stages, nick an F.A. Cup replay or get a postponement. That's the best suit put away for another year.

But why nothing in the League? Some of us rather enjoy evening football in the romantic setting of a floodlit Pavilion Stand.

The fact that we have 22 teams in the basement division these days has helped to all-but eradicate midweek soccer for those unfortunate enough not to get a decent run in any of these cup competitions.

The fixtures computer at Lytham St Annes threw up only one Tuesday home game this season and that - the visit of Bury - had to be switched to Gigg Lane because Peter McCallion's grass wasn't ready to be trampled on.

We should have had a Coca Cola tie against Stockport. But once again the new shoots were a shade too tender and that also disappeared to Gigg Lane. And, unless we do something in our Auto Windscreens Shield second group game at Gigg Lane (where else) on November 8 - it will depend on success in the F.A. Cup or having a match re-arranged because Peter's grass is waterlogged.

Last year's League fixtures were

just the same. One match initially - against Bury of all people - became two games when Hereford had to be put off thanks to North End's wonderful cup adventure and thus came midweek instead. A Coca Cola and an Autoglass, both against Burnley, meant we had the grand total of four Tuesdays at home. Compared with seven midweeks away it was a poor show.

The season before we had no fewer than 15 Tuesday and Wednesday matches, yet only five of those were at Deepdale - two in the League. As one of those who travels to such convenient places as Gillingham for night games I feel qualified to ask: Just what the hell is going on? Is it a grand plot to dissuade the division's biggest contingent of travelling fans from hitting the road - or are North End so tight they are trying to keep the floodlight bill down?

The great 'What is Football?' debate seemed to dominate the media this week with two new managers of diametrically opposed views both finding themselves in the firing line.

First we had John Beck accused from the Deepdale terrace of not playing enough football - if any at all - as North End slumped to their third League defeat on the trot.

Then, in almost the same breath, West Brom fans were calling for the head of their manager Keith Burkinshaw for playing too much!

No wonder people in soccer reckon Jimmy Greaves is spot on when he does his "funny old game" routine. But, if the long-ball method is wrong and the short-passing style is just as worthless, what is the correct method of playing the game?

Well according to the rules of football there isn't one. The object is simply to score more goals than your opponents.

And Law 10 (Method of Scoring) says: "A goal is scored when the whole of the ball has passed over the goal-line, between the goal-posts and under the cross-bar, provided it has not been thrown, carried or intentionally propelled by hand or arm by a player of the attacking side, except in the case of a goalkeeper who is within his own penalty area. The team scoring the greater number of goals during a game shall be the winner."

As it doesn't dictate how it should get there, airborne or along the ground, it would seem both men are right. And, as with most other things, it just comes down to a question of taste.

EMERGENCY EVACUATION PROCEDURES

In the event of an emergency at Deepdale requiring evacuation of the ground in part or whole, spectators are requested to remain where they are and listen for announcements over the public address system.

ALL EMERGENCY ANNOUNCEMENTS WILL BE PRECEDED WITH A CHIME.

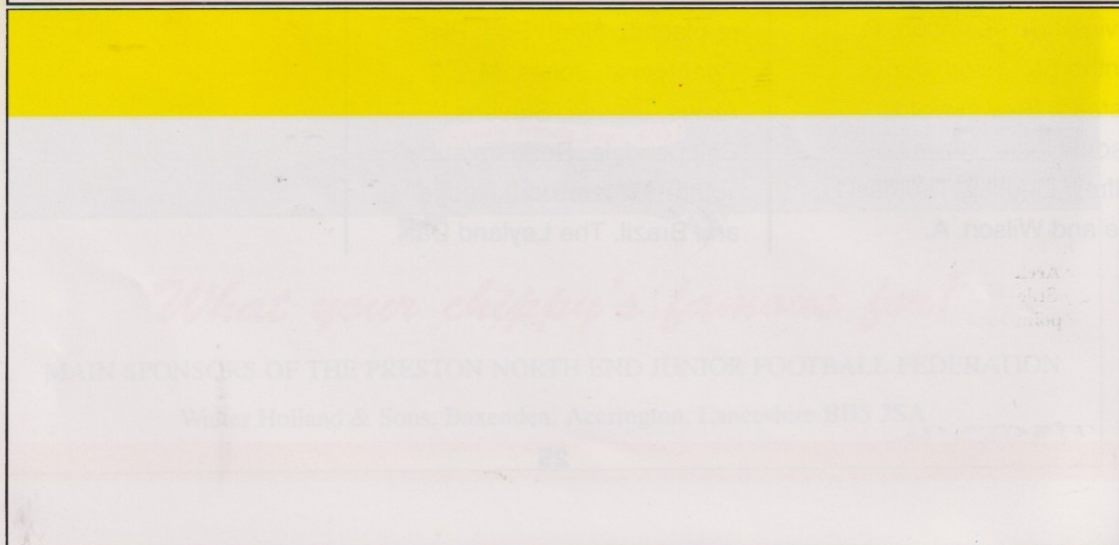

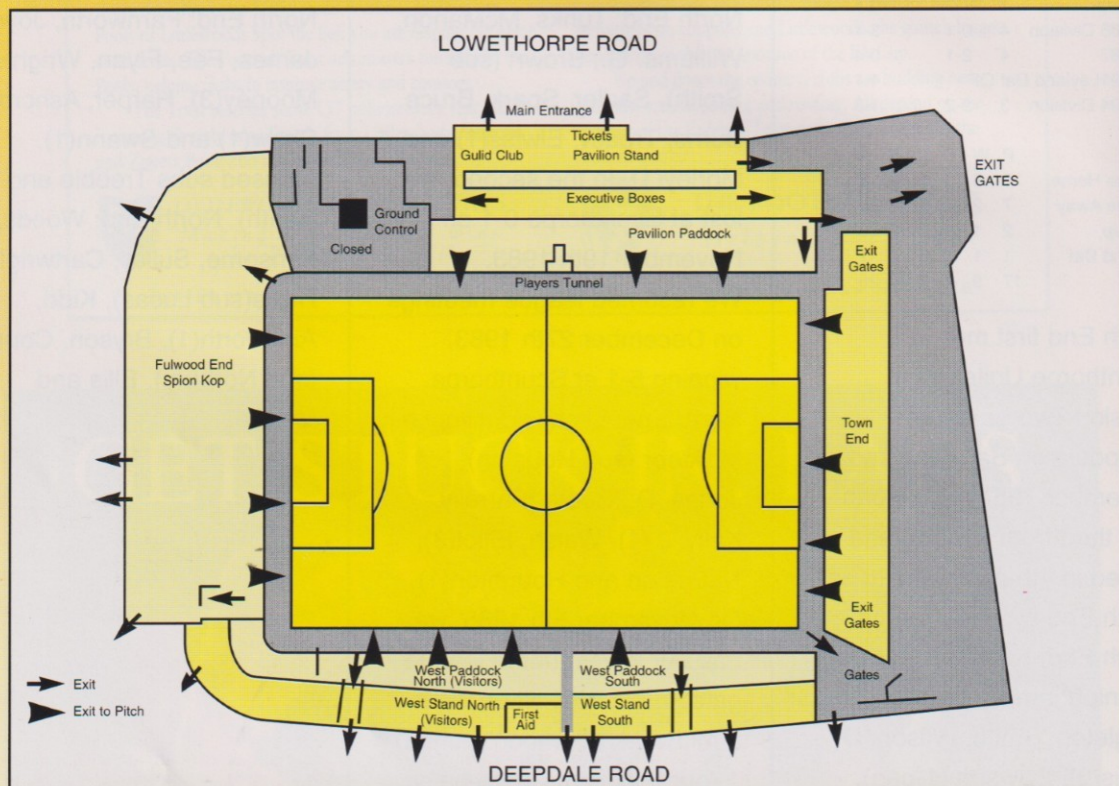

The announcements may direct spectators in a specified area of the ground and require evacuation through exit gates to the outside of the ground or through perimeter exit gates onto the pitch.

Club Stewards and Police Officers will assist in directing and assisting spectators to the safest locations.

If requested to vacate a specified area of the ground spectators should do so as calmly and quickly as they can to assist in a safe and speedy evacuation.

Spectators who arrive at the ground by private transport should not park in front of any entrance or exit gate and follow the directions given by car park attendants in allowing an access corridor for emergency vehicles. In addition spectators are requested not to try and move their vehicles from the Club car park in an emergency as this is likely to hinder the access of emergency vehicles and contribute to congestion outside the ground.

Your assistance in this matter is greatly appreciated.

BYGONE DAYS

with Mike Payne

Five Years Ago:

1989-90

On October the 7th 1989 North End beat Northampton 2-1 at the County Ground. On a wet and windy day Preston did enough to deserve victory without producing a particularly good performance. But it was their first away win of the season and nobody cared how it was achieved! Steve Harper hit home Tony Ellis's cross in the 21st minute and after Darren Collins had equalised in the 65th minute it looked odds on another away game without a win. But Ellis has other ideas and a superb individual run and shot settled the match just two minutes after Northampton's goal. Meanwhile, on the same day, Scunthorpe were losing 3-2 at Hartlepool with Mark Lillie and Tony Daws notching their goals.

Ten Years Ago:

1984-5

I was the 6th of October 1984 when North End played at Lincoln in the corresponding fixture of that particular season. In a dreadful display they lost 4-0 with John Fashanu, Ross Jack, John McGinley and George Shipley scoring the goals. But for the bravery of goalkeeper Peter Litchfield North End's fate would have been even worse. Only 1,906 people attended the game. Scunthorpe had a much better day as they won 2-0 at Northampton. Chris Cowing and Mike Mathews scored their goals to give them a win that eased their worries at being near the bottom of the table.

Fifteen Years Ago:

1979-80

A 0-0 draw with Birmingham here at Deepdale was played on October the 6th 1979. Preston were a little lucky to escape with a point and had keeper Roy Tunks to thank. He pulled off a couple of outstanding saves especially from Tony Evens late on. The star for Brum was our ex player Archie Gemmill. Manager, Nobby Stiles said that he was happy with a point but said Birmingham's

probably deserved to win.

Scunthorpe were also drawing, 2-2 at home to Walsall. Rick Green and Paul O'Berg scored goals to put them 2-0 up at half-time but Walsall fought back and snatched a point thanks to Don Penn and Brian Caswell.

Twenty Years Ago:

1974-5

It was October the 5th when Preston played this season and they shared four goals with Hereford at Edgar Street. It was our first ever visit to the ground and we were soon in trouble after David Rudge had given Hereford a 14th minute lead. It took North End just over an hour but they finally equalised when Tony Morley's cross was converted by Mel Holden. All the good work almost went out of the window when substitute Paul Lee made it 2-1 with five minutes to go, but John Bird was the hero of Preston when he headed another equaliser following an Alan Lamb corner. Scunthorpe's day was less memorable as they lost 1-0 at Chester with a John James penalty settling that one.

PNEISA FANSCENE

Writing this column on the Sunday morning following the Walsall defeat was never going to be easy, however here goes.

Lets start on a positive note with the news of the club takeover by The Baxi Partnership. It has to be great news for the club and everyone with North Ends interests at heart. The official announcement was followed by a radio phone involving the new club chairman Mr Bryan Gray and representatives of the ISA. It was good to hear so many supporters ring in and voice positive views. In starting this 'new era' it would be wrong not to offer sincere thanks to both

Mr Leeming and Mr Woodhouse who have led North End through many a troubled time. Their honesty and loyalty to Preston North End should

never be doubted and the committee and members of PNEISA and I hope all supporters appreciated the manner in which they acted in smooth and trouble free takeover. Often the targets of above helped keep North End afloat when lesser men would have simply walked away. We thank you! The BA committee will have met by the time these notes are printed and were hopeful our next full meeting will see our new club chairman as 'star guest'. Other matters will undoubtedly have raised their heads and as always opinions on all parts will be voiced. Details will no doubt appear in this column and local press in due course.

Thanks go to the new 'Town Ender' bar formerly The Blue Moon, Church Row, Preston for the purchase of another big Town End drum. Hopefully it will rally support and help performances in the future.

One final fixture we feel worthy of a mention and support take place at Bloomfield Road on Tuesday 26th of October when North End reserves play Blackpool. Last season the ISA ran a coach and the crowd was boosted by at least 250 North End supporters. Again the reason we intend to travel to the Seaside in good numbers, support the Whites and perhaps celebrate with a ride through the illuminations. Make it a date for your diary.

Come on you Whites
We will succeed!

NORTH END

When football resumed normality just after the First World War, Preston North End, then a First Division side, always found themselves in demand as the opposition for friendly or benefit matches. The Club were involved in 35 or so of these games, usually played away from home, in just eight seasons during the 1920's. In the month of May 1921 PNE were engaged over a five day period. Were they fit lads or what?

North End at that time did quite a bit for charity locally and their proceeds from this short tour were donated to different charities including the Boys Brigade, but Preston Royal Infirmary were usually the main beneficiary. With North End having a fair following up in the Lake District in those days they had good

reason to play at places such like as Penrith and Kendal. The Club normally fielded strong line-ups and on this occasion gave the spectators their moneys worth by way of scoring 17 goals in the short 4-game tour. Nine of the goals were credited to that master craftsman in the art of goalscoring, Tommy Roberts. Two benefit games were played a week before the trip to the Lake District, one for Horace Fairhurst at Blackpool and the other for the ex-North Ender in a 3-3 draw by a strange coincidence with that man Tommy Roberts bagging a hat-trick in both games.

The following Monday night - 26th of September. Most of the lads who had played at Chester were called up to represent the reserve side away at Birmingham City - This was due to the injury situation. Within the first team squad - all the seven 2nd year and I believe 2 from the 1st year took part (see Bob's 'In reserve' page for further details) - A good opportunity for them to gain experience at a higher level. Well done lads!

Premier Youth Leagues Of The Country

Most of us have a small amount of knowledge about the structure of 'The Lancashire League' - Division 2 (Youth League) and the high standards it has set itself in providing a constitution as a base for the development of facilities for the furtherment of our young footballer's career - which in the end brings benefits to both the youngster and its member clubs.

But how many readers know that the Lancashire League - Youth Division in only one or five premier youth leagues that cover our country I would therefore like to write a few notes on the five leagues involved and maybe at a later date (if space allows) look at these individually.

As a broad mental vision - you could imagine a picture or map divided rough-

ly by two leagues in The Northern Part of England using as a dividing line the Pennine range of hills which stretch up the spine of the North Country from Derbyshire in the South to near the Scottish border.

South of Cheshire, Derbyshire and South Yorkshire another league covers a wide band right across the country stretching from Shewsbury in the West to Lincoln/Grimsby in the East and South roughly as far down as Northampton the re-maining two leagues cover the South of England, on the East side including the home counties out to Norwich and on to the South coast of Bournemouth, West as far as Bristol is covered by one league, the remaining one out on the West country covers roughly from Cheltenham in the North, down to Dorset, Somerset and also included Bristol.

Taking a brief look at the 5 leagues starting with

THE LANCASHIRE FOOTBALL LEAGUE-DIVISION TWO

You might ask the question - how is it that teams from outside the county participate - as it now stands only 4 clubs (North End, Blackpool, Burnley and Blackburn). Out of 19 participating clubs actually have their base in Lancashire - due to county boundaries changing in 1974?

The city clubs from Manchester and Liverpool etc have left the jurisdiction of the Lancashire Authority but where allowed to continue in the league as Lancashire Clubs.

Now, new clubs are allowed to enter the league on proviso that they are affiliated to a recognised county football association and have ground or headquarter situated in Lancashire and/or boarding counties. Another ruling is that any club wishing to enter the league must be members of 'the football league' or the FA Premier League therefore putting a ban on any non-league club's now wishing to join the league.

So the above logic for membership explains why we have Carlisle United Youths from Cumbria on the Scottish Border and Crewe Alexander Youths as far as South Cheshire, Rochdale and Oldham Youths to the East in the Greater Manchester Area, to the West Coast lie Marine, Everton, Liverpool Youths and Tranmere on Wirral - A varied selection of Clubs covering a wide area of perhaps 150 mile long by 50 miles wide.

Northern Intermediate League

Perhaps the oldest professional clubs youth team league, it has been operating since 1949 - at one time it was open to any age of player, but now re-stricted to under 19's on the 1st September, the league covers an area roughly about the size of 'The Lancashire League' stretching from Newcastle in the North to Sheffield and Rotherham in South Yorkshire Encompassing all the Premier and Endsleigh League clubs in between to the West Huddersfield town and Bradford City and to the East coast Hull City.

Midland Purity League

This league covers the central belt of the country dominated by the three Birmingham Clubs (Villa, WBA, Birmingham City, The Three Nottingham Shire Clubs, Notts County, City and Mansfield, South to Newcomers Northampton Town West to Shewsbury and encroaching 'Northern Intermediate League' Territory at Grimsby

South East Counties League

The only league of the five who operate a two division set-up with no promotion or regulation between them - the first division is dominated by the London Clubs although - going well this season is Gillingham - 2nd in the league (3/9/94) - The second division is mainly up from clubs in the West.

Southwest Counties League

Newly formed and sponsored by 'Westcountry Television' - The league has 11 clubs (4 being non-league) the most Northerly club is Cheltenham town, the most Southerly is Plymouth Argyle/Weymouth/Torquay. More about these leagues when space allows.

Preston met Birmingham City for the first time in 48 years at Central League Level. 'The Blues' now run two reserve sides they also have one competing in the Avon Insurance Combination Division Two. It was always going to be tough for North Ends fledglings with the 'Brammies' topping the division with four wins and a draw in their first five outings, they paraded some very experienced professionals amongst them were Louie Donowa, George Parris, Paul Moulden, Richard Dryden and Andy Saville.

The North End squad included two first year YTS lads in Stuart Bingham and Kyle Hayton both experiencing the atmosphere of the Pontins League for the first time, six other youngsters in their second year as YTS players Paul McMenemy, Chris Borwick, Kevin Kilbane, John Calligan and Gil Brooks played with Damian Corcoran being the unused substitute. Miguel DeSouza gave Birmingham City Reserves a first half lead then Peter Shearer (I've heard that surname before somewhere) and ex-Oldham Athletic star Paul Moulden completed the scoring as City deservedly took all three points.

Preston however need not be too despondent by this setback as the young players are gaining valuable experience that will stand them in good stead in the future, with the injury situation as it is plus suspensions the club have no other choice.

INSIDE DEEPPDALE

Well we finally did it, we caught up with the most popular man in Preston. On Monday we dispatched our man to talk to new North End Chairman Mr Bryan Gray. He wasn't disappointed as Mr Gray outlined his vision for the future of our club.

"First let me say how privileged I feel to be speaking to readers of 'Inside Deepdale'. Since the Baxi Partnership announced its acquisition of Preston North End on Monday 26 September I have received tremendous support from a wide range of people including a well wisher from Australia who left an overnight message on the Baxi switchboard on Monday night. Baxi was established as an employee owned company in 1983 by Philip Baxendale (whose nickname at school was Baxi). Mr Baxendale has a vision that Baxi should continue forever, owned by its employees, and making good profits for the benefits of its employee shareholders, the company and the community. I believe there are many parallels with North End.

Like Baxi, Preston North End has a proud heritage and a well known name. Our job now is to recreate the glory of the past so that once more everyone will be proud of Preston North End - the Team, and Deepdale - the Stadium.

Everyone I have spoken to in the last week shares the same vision - a premier league football team playing football in a world class stadium. If anyone tells you that's impossible, answer that North End have been there before and intend to go there again. However, if we are going to make it we need two things above all. Those two things are partnership and perseverance.

We need Partnership because if everyone works together we are more likely to succeed. Everyone means supporters, players, staff, the Council, the community, the directors, and anyone else I have forgotten. Time spent criticising will be time wasted.

Perseverance is needed because we have a bit of a hill to climb. It will be easy to become impatient with the rate of progress and expect too much too quickly. People who know me well sometimes criticise me for being impatient, but I like to spend time first and then act quickly.

Let me turn to the football. Right now John Beck needs your support. Everyone is entitled to express an opinion, and that's

fine. But it would be quite wrong for the new directors to come in and make changes. John Beck and all the team want to succeed just as much as you want them to - and I want them to. Let's give them our support.

As you can imagine, we have many things to do. My immediate priorities are:

- 1) Meet Preston Borough Council to discuss the lease of the land and our plans for the development of the Stadium.
- 2) Begin detailed planning of the Deepdale development project. This will require wide consultation to ensure that we have the best possible facilities and the resulting stadium will be a source of pride for supporters and the community at large.
- 3) Agree with the Football Manager his plans for the playing team including any changes to the squad.

To assist the directors with these tasks we shall be appointing a General Manager who will be responsible for all the commercial and administrative functions including management of the Deepdale Development Project. It is not our objective to make unnecessary changes to the way the Club is currently for the good of the Club.

I am very excited at the prospect of leading North End as it begins a new era. Over recent weeks I have come to know some of the people who have played such an important part in the Club over recent years. I would particularly like to pay tribute to Malcolm Woodhouse who has provided both considerate financial support and encouragement since he took over a controlling interest in the Club some years ago. Keith Leeming has continued the tradition of influential Chairman at North End. I am delighted that both Malcolm and Keith have agreed to remain as directors and Vice Chairmen. Malcolm Woodhouse's son now continues the family tradition of supporting North End and remains a director. Laurence King, Finance Director and Company Secretary of Baxi Partnership, joins the Board as Company Secretary.

Retiring directors of Preston North End Holdings are Barney Campbell and Trevor

Hemmings. Both men have played an important part in the discussions which resulted in Baxi's takeover, and I extend to them my personal thanks for their help, advice and support. The indefatigable Derek Shaw continues as Managing Director and continues to be a source of encouragement and a dedicated worker for the benefit of the Club.

The gentleman mentioned above and all others have, without exception, supported recent changes and deserve our gratitude to them. Finally, my thanks to our President Tom Finney for his support and encouragement and for his continuing dedication to North End.

What more can I say? Please be patient. Please continue to give your support. Together we can make North End great again."

Bryan Gray
Chairman

In the next edition of Inside Deepdale we will focus on the man behind one kit manufacturers - 'Footy' - Steve White.

SCUNTHORPE UNITED FOOTBALL CLUB

Scunthorpe's first game of the season resulted in a 2-1 win at Barnet and their record to date reads played 10, Won 5, Drawn 1, Lost 4. In spite having lost to both Carlisle and Bury, Scunthorpe currently lie in sixth place and their wind include a notable double over Barnet (who have only lost two so far this season).

Of their 17 league goals so far, no player scored more than four which reflects the attacking style of football adopted by Scunthorpe manager David Moore.

Once again North End are facing an in-form keeper in Mark Samways who has had a big hand in their success so far, most notably in the 3-1 win at Darlington. Other players currently in form are Alan Knill, Ian Juryeff and summer signing from Grimsby Tony Ford. Incidentally Neil Trebble will be facing his old club today which should add an extra bit of 'spice' to the match. Attendances to date at Glanford Park have been around 2,500, which must be a little disappointing given the good start to the season

ABOUT!** - but why do we have a police officer at each home match with a video camera? As you will be aware, public safety is of paramount importance and the camera has been used in that context making it possible to study the events at a later stage. For

instance, when we went through a period of "disco dancing" on the film and consultation (some teenagers who were identified from the film were warned about their behaviour).

In the same way that C.C.T.V. within the ground provides us with a deterrent and a means of identifying offenders, so too the video camera particularly outside the ground. The vast majority of filming has involved away supporters seeking confrontation and the minority who sadly respond. Those who recall the disgraceful scenes at the boxing match involving Nigel Benn, will understand the usefulness of cameras. The camera was in use on the night the 'plastic' pitch was taken up by jubilant supporters but not only recorded those happy scenes but also recorded the first two or three supporters to reach the Torquay fans threatening them until they were engulfed by scores wishing to commiserate. At my expense, it has also been used to record the "atmosphere" of Deepdale which has then been forwarded to a friend, a P.N.E. supporter, who is presently working on a voluntary basis building a hospital in Zaire. The camera

has its uses!

School Football

Preparations for E.S.F.A. Already the under 15 squad has undergone several training sessions and a couple of friendlies but sadly a couple of associates have let them down with fixtures. Despite this, a creditable 5-5 draw was achieved against Burnley Associate Schoolboys before a below par performance against Wigan Schools resulted in a 2-1 defeat. On Saturday they play Hyndburn in Round 1 of the English Schools Cup, hopefully the beginning of a good run. The squad at present is: Tom Ellis, Andrew Taylor, Wayne Fitzpatric, Michael Swarbrick (Broughton); Ben Bradley (Fulwood); Michael Hills, Chris Drazek, Chris Butler, David, David Benn, Paul Mein, David Burns (Our Lady's); Sean Tiemey, Sean Hanley, David O'Rourke, Scott Moody (Corpus Christi); Stephen Boardman (Ashton-on-Ribble); and Patrick Connolly (St. Cecilia's).

The Under 14's

The new crop of town team players have been through extensive selection matches which have resulted in close defeat by Blackburn and Darwen Schools F.A., a hammering at the hands of Blackpool Schools F.A. and a remarkable 6-3 victory over P.N.E. centre of excellence players.

Nothing is finally selected yet but the selection of a squad is emerging. Further matches against Kirkby/Knowsley Schools, Sefton Schools and Liverpool Schools (on the 25th October) will help

this process.

For the moment the following comprise the squad:

Roger Boardman, Chris Finch, Michael Slater, Richard Milsom (Corpus Christi); Jonathon Greenwood (Our Lady's); Paul Peacock, Stewart Clitheroe, Mark Thomas, Chris Ward (Ashton on Ribble); Neil Abbott, Curtis Stafford, Ian Davies, Mark Melling (Fulwood); Richard Blackwell (Broughton); Stephen Hollinghurst (Archbishop Temple); Lewis Hope (Longridge); and Wayne Bromley (Ribbleton Hall).

The under 13's

Trials are still going on for this age group but the quality of the players seen so far provides us with great optimism for future years.

Social Activities

Early in October, the Association is planning a social evening for the players and families of the three squads. This will be held in the Guild Club in the presence of members of the P.H.E. Youth development team and will be graded by former players of the association.

Also on Monday December 5th 1994 a NOSTALGIA EVENING will be held at St. Joseph's Club, Cemetery Rad, Preston for all employers of the association. Tickets are £5 and sold on a first come first served basis.

Enquiries as soon as possible to Dick Clegg (Preston 728164). Do not be disappointed.

COMMUNITY NOTES

Hello again,

I would like to start my column this week, by congratulating my staff. Last week they were invited to play Blackpool's community office at 7 a side football. As most of the staff are knocking on in years they expected to get well beat, but nothing could be further from the truth. They dominated the match from start to finish and ended up winning by a massive 20-8. Well done to

our Man Of The Match David O'Brien, Stewart "Henry" Jackson, Stuart - Leyton Smith, Colin Sinnott, Simon our Junior Co-ordinator and two students on work experience Mark Buckley and Collette Sunter.

Some of my staff this week are taking their F.A. Preliminary Coaching Award, so good luck must go to Stewart, Stuart and David.

The 1/2 term October Soccer School is filling up

quickly, so be sure to enroll your children soon. The course begins on Wednesday 26th October and lasts for 3 days. The cost of the school is £22.00 and includes 3 days of quality coaching and soccer sixes competitions, P.N.E Gift (Leather Football), Invitation to a home game, Merit Awards and Mini World Cup competition and prizes. The course is open to both boys and girls aged 7-15 years.

Away Travel

Details of the coaches for the trips to Hartlepool (October 15) and Colchester (October 22) were not available as we went to press, but will be by the time you read this. Times and prices will be displayed on the white board in our Portakabin, above the neat new counter recently installed by Richard Shelliker. We'll be open for bookings before and after today's match, and before the reserve game this coming Monday. (If you like we can pass on any requests for Richard to come around and put up shelves for you!)
